

Hales Corners Library Presents

Little Hands Texture Jam

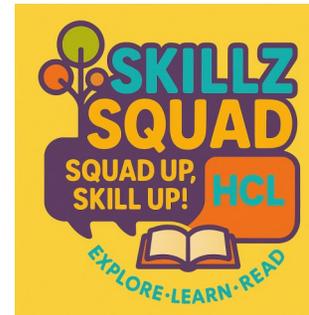

FRIDAY, MARCH 6TH AT 10:30 AM
LIBRARY BOARD ROOM

Little artists (**ages 3–5, with caregiver**) will hunt for textures, plan their collage (arrange first, glue second), and create a springy art piece—building **fine-motor skills, descriptive vocabulary, and sensory awareness**. Make a garden, a monster, or anything you imagine! **All materials provided.**

Hales Corners Library Presents

Ready, Set, . . . Rocket!

Tuesday, April 14th at ✨
4:30 PM
Ben Hunt Room

Join us for a high-flying STEM adventure! Kids ages 5–9 will design and launch balloon and straw rockets while learning how thrust and motion help real rockets take off. We'll test different designs, race rockets down launch lines, and cheer on every swoosh and zoom. Perfect for curious young scientists and energetic builders!
